Why Attend the Launch?

Explore the platform's features, including e-learning tools, WASH toolkits, and training programs.

Connect with a network of experts, practitioners, and policymakers driving WASH innovation in the CAREC region.

Gain insights into the Centre's five-year strategy and its roadmap for sustainable WASH development.

What Sets the Platform Apart?

- **A Virtual Hub for Innovation:** Bringing together global and regional best practices and research in WASH.
- **Adaptive and Holistic Approach:** Tailored to the diverse needs of CAREC countries, offering practical tools and strategies for WASH development.
- **Multilingual and Inclusive Resources:** Providing content in English, Russian, and Chinese to reach a broader audience.
- **South-South Knowledge Sharing:** Facilitating peer-to-peer learning and partnerships across CAREC countries and beyond.

Key Highlights of the Launch Event

Presentation of the platform's functionalities and features.

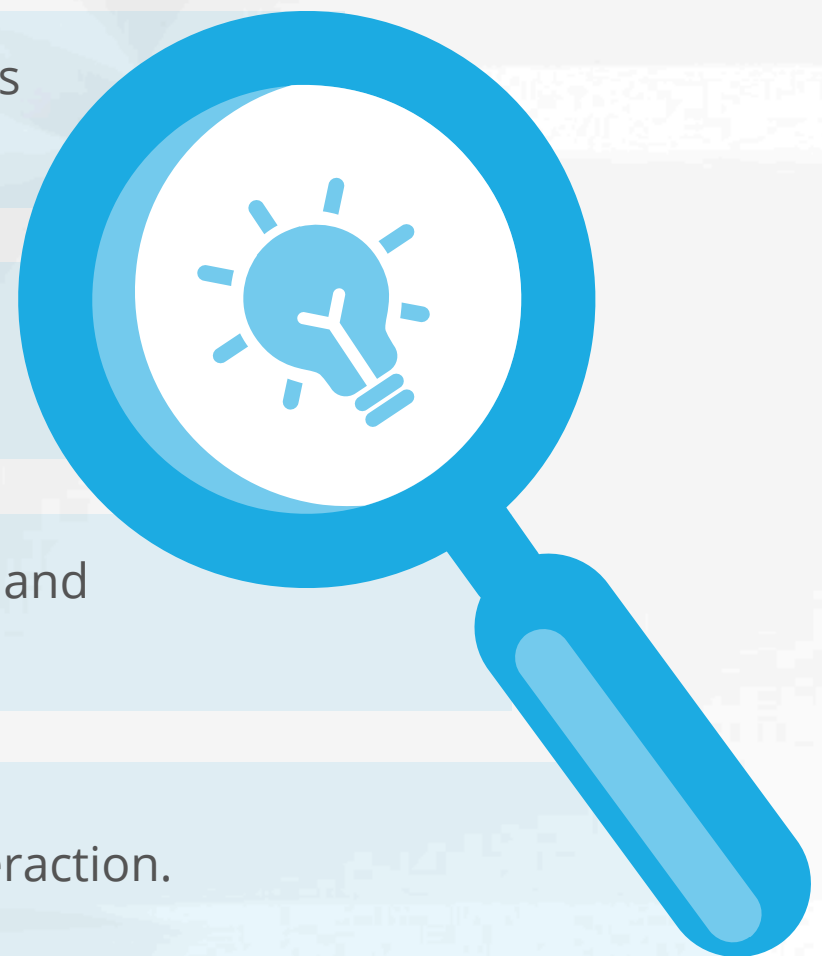

A showcase of flagship WASH knowledge products and capacity-building materials.

Engaging in panel discussions with regional and international WASH experts.

Opportunities for Q&A and stakeholder interaction.

About the CAREC WASH Centre:

A joint initiative by CAREC Institute, UNICEF, ADB, and Vital Strategies. The Centre is designed to enhance WASH practices through a comprehensive system of knowledge exchange, capacity building, and dissemination of best practices.
